

Deleting a Recurring Payment - Pushpay.com

1. Open your web browser and navigate to <https://pushpay.com/login> Enter your mobile number or email and choose “Login”

2. Under the “Recurring Payments” heading, choose “View” on the recurring payment you’d like to view.

3. Choose “Delete Recurring” to remove the recurring payment

The screenshot shows the Pushpay dashboard for Hillsong NYC. The left sidebar contains navigation options: Dashboard, Transactions, Security, Payment methods, and My details. The main content area displays a recurring payment of USD \$1.00, scheduled for Monday, September 01, 2014. The payment method is a VISA Debit card. At the bottom of the payment details, there are two buttons: 'Cancel' and 'Delete recurring', with the latter being highlighted by a red circle.

4. You will get a confirmation that the recurring payment was deleted!

The screenshot shows the Pushpay dashboard for Hillsong NYC after the recurring payment has been deleted. The left sidebar now includes 'Home', 'Pushpay', 'Contact', and 'Support' in addition to the previous options. The main content area displays a green success message: 'Success. You have successfully deleted this payment schedule. No future payments will occur.' Below the message is a link to 'Return to the dashboard' and a 'Dashboard' button. The footer includes the Pushpay logo, app download links for iOS and Android, and the copyright notice '©2014 Pushpay® Ltd.'
